

Code of Conduct for Children and Young Triathletes

The essence of good ethical conduct and practice is summarised below. All members of Crystal Palace Triathletes Juniors section must:

- Respect the rights, dignity and worth of all fellow triathletes, officials and volunteers at all times.
- Treat everyone equally regardless of age, sex, ethnic origin, religion, political persuasion, sexual orientation or physical disability.
- Consider the well being and safety of other participants over that of your own performance.
- Adhere to the positive aspects of the sport (e.g. fair play)
- Display consistently high standards of behaviour and appearance
- Follow all guidelines laid down by Crystal Palace Triathletes and by British Triathlon
- Never condone rule violations, rough play or the use of prohibitive substances
- Value your own quality of performance and not just results
