

INFINITnutrition's Orange Recovery drink

In your race goodie bag you'll find a FREE sample sachet of INFINITnutrition's Orange Recovery drink which we hope you will enjoy after your race or training session.

Containing a blend of carbohydrates, whey protein, electrolytes and amino acids its been designed to replenish your muscle glycogen levels and repair damaged muscle tissue while tasting great ! To order more of this drink go to www.infinittenutrition.eu/productcart/pc/viewCategories.asp?idCategory=15.

If someone told you one formula of sports drink would meet the needs of different athletes, with different body types, doing different sports, wouldn't you question it ?

INFINITnutrition custom blend energy drinks according to your needs so you get a formula that has the right number of calories, the right amount of electrolytes and the right flavour level for you. You also have the option of adding protein, amino acids and caffeine if you so wish. INFINITnutrition use only the best quality ingredients, their drinks are free from artificial flavour and sweeteners and contain no colouring at all.

'But how can I create a drink that's right for me?' Don't worry it's not complicated. Their quick start interview at www.infinittenutrition.eu/interview.asp asks all the essential for creating a formula that is right for you and if you have any questions INFINITnutrition staff are on hand to answer them.

They've set up a 10% off offer valid against your first 25x600ml serving order of custom blend sports drink (Normal price £23.99) from now until the end of October. To redeem the offer use the discount code '**Crystal**' in the summary page of the shopping cart.
